HALL COUNTRY HOUSE HOTEL AND SPA

Armathwaite Hall Country House Hotel and Spa on Bassenthwaite Lake hosted a charity afternoon tea fundraiser in aid of Eden Valley Hospice on Sunday 27th September. A grand total of £1000 was raised from ticket sales, raffle money and generous donations.

Tickets for the event sold out within one week and a lengthy waiting list soon followed.

Armathwaite Hall's speciality afternoon tea was served in the stunning new Broadwater Suite, capable of seating up to 160 people. Guests enjoyed looking out onto Bassenthwaite Lake through the floor to ceiling windows and the sun even shined long enough for a few to enjoy their freshly made sandwiches and cakes on the terrace.

Part of the new £5million spa development, the Broadwater and Lime Trees Suite were completed earlier this year. With their fabulous conference facilities, beautiful light displays and retractable floor to ceiling windows the venues truly are in a class of their own.

Annabelle's of Cockermouth showcased over 40 of this seasons fashions throughout the afternoon with the day drawing to end spectacular end with a raffle, prizes donated by local businesses included a dinner bed and breakfast stay at Armathwaite Hall Country House Hotel and Spa and a Sunset Escape spa break for two at The Spa at Armathwaite Hall.

"Everyone here at Eden Valley Hospice sincerely appreciate all the hard work which has gone into this successful fundraising event. It is only through the ongoing support of the many individuals and organisations such as Armathwaite Hall that we can continue to provide the care that we do."

About Eden Valley Hospice

Eden Valley Hospice is a charity that cares for patients, both adult and children, from the Cumbria and South West Scotland area with life-limiting illnesses. They strive to provide the highest standards of nursing and medical care, to sustain quality of life and dignity and to provide patients with relief from pain.

They not only care for patients but extend the same loving support, help and counselling to their families, friends and carers as such illness affects whole families.

The Hospice operates as a 12 bedded adult in-patient unit, a 5 bedded Children's Hospice as well as providing day hospice care for adults and children / young people. The Hospice helps its patients enjoy a better quality of life, often enabling them to do things which they thought had gone forever.

Since opening in 1991, over 5,000 people have directly benefited from the care and support we are able to provide. The annual cost of providing such a service is now some £2.7Million, about 25% of which is provided by the local NHS leaving the challenge of finding £1.95m a year to sustain the hospice.
